EXCELLENCE TO BECOME THE DIFFERENCE

About the Leaders Centre

Excellence to become the difference

The Leaders Centre is a place of distinction, created to inspire excellence and empower individuals to make a difference. Far more than a venue for meetings, discussions, or executive training, the Leaders Centre is a sophisticated environment designed to spark innovation, foster collective intelligence, and promote the sustainable growth of organizations.

An exceptional setting by the ocean

Located just minutes from Casablanca, on the oceanfront in Dar Bouazza, the Leaders Centre stands out for its idyllic setting and harmonious design. Featuring premium materials like wood and stone, cutting-edge technology, and high-end furnishings, this space is surrounded by lush gardens and is thoughtfully designed to inspire creativity, collaboration, and enhanced organizational performance. The Centre also offers wellness facilities to enrich the experience.

Flexible and inspiring spaces

The Leaders Centre provides 15 distinct spaces accommodating groups of 4 to 40, with an overall capacity of up to 100 people. A unique blend of Moroccan and Andalusian craftsmanship with a clean, classic European design creates a multicultural business setting that encourages meaningful exchanges and supports harmonious co-development.

The Shakespeare Hall

The Shakespeare Hall is a sumptuous venue with a classic design, accommodating up to 40 guests in a refined setting that fosters co-creation and innovation.

Featuring solid oak flooring and aged beams suspended from a high ceiling, the room is enhanced by harmonious decor. It is furnished with comfortable, modern seating and equipped with all the necessary technology to ensure the success of your training sessions, serious games, workshops, or round tables.

The large glass windows of the Shakespeare Hall invite natural light throughout the day and provide a panoramic view of the pool and garden, creating a welcoming atmosphere for all participants.

The Ocean View Room

The Ocean View Room is an exceptional space that accommodates up to 16 guests. Featuring a wooden mezzanine and elegant materials that complement the stunning view of the Atlantic Ocean, this setting is perfect for your training sessions, creative workshops, and strategic meetings.

On the upper level, a discreet and tranquil relaxation area awaits beneath the centre's roof, adorned with handcrafted rugs and plush cushions. Here, you can retreat for moments of meditation or coaching sessions.

The Balcony Room

With a capacity of 12 people, The Balcony Room is an elegant space featuring a balcony that overlooks the entrance of the centre, providing a commanding view of the garden and the shimmering pool. The ocean-blue shutters decorating the balcony evoke the beautiful coastal cities of Morocco, creating a perfect harmony with the surrounding greenery.

This space is ideal for training sessions, workshops, executive committees, and strategic meetings. Beneath its stunning high ceiling, a small mezzanine invites you to enjoy moments of relaxation in a cozy setting.

The Ocean Boardroom

The Ocean Boardroom is an exceptional space offering a magical view of the ocean. Equipped with an antique oval wooden table for six people, this room is designed for strategic meetings, executive committees, or team coaching sessions. With its inspiring view, oak flooring, black marble accents, and clean white walls, The Ocean Boardroom creates a particularly motivating environment.

The Oak Corner Room

The Oak Corner Room is a bright nook within the centre, dedicated to strategic and operational meetings for teams of up to six people. With its high-quality materials, large American walnut table, and modern equipment, this space provides all the conditions necessary for productive discussions.

The Garden View Room

The Garden View Room is designed for strategic or operational meetings, accommodating up to six people. Its soothing view of the garden and rectangular American walnut table create an inspiring environment conducive to productive and value-creating work sessions.

The Leaders Lounge

The Leaders Lounge is a carefully curated shared space that combines comfort and warmth. Elegant beige armchairs and vintage furniture create a welcoming atmosphere. This cozy nook is perfect for relaxed conversations during coffee breaks.

The British Lounge

At the entrance of the centre, The British Lounge welcomes you with its luxurious leather club chairs and sofas, oak furniture, and black marble coffee table. This space, designed for seven to twelve people, offers stunning views of the garden and is perfect for high-level discussions or moments of collective reflection over meals.

The Prestige Table

Located on the ground floor of the Leaders Centre, The Prestige Table is a cozy dining space that accommodates up to ten people. The solid Malaysian wood table enhances the uniqueness of this inviting nook and fosters an atmosphere of intercultural exchange.

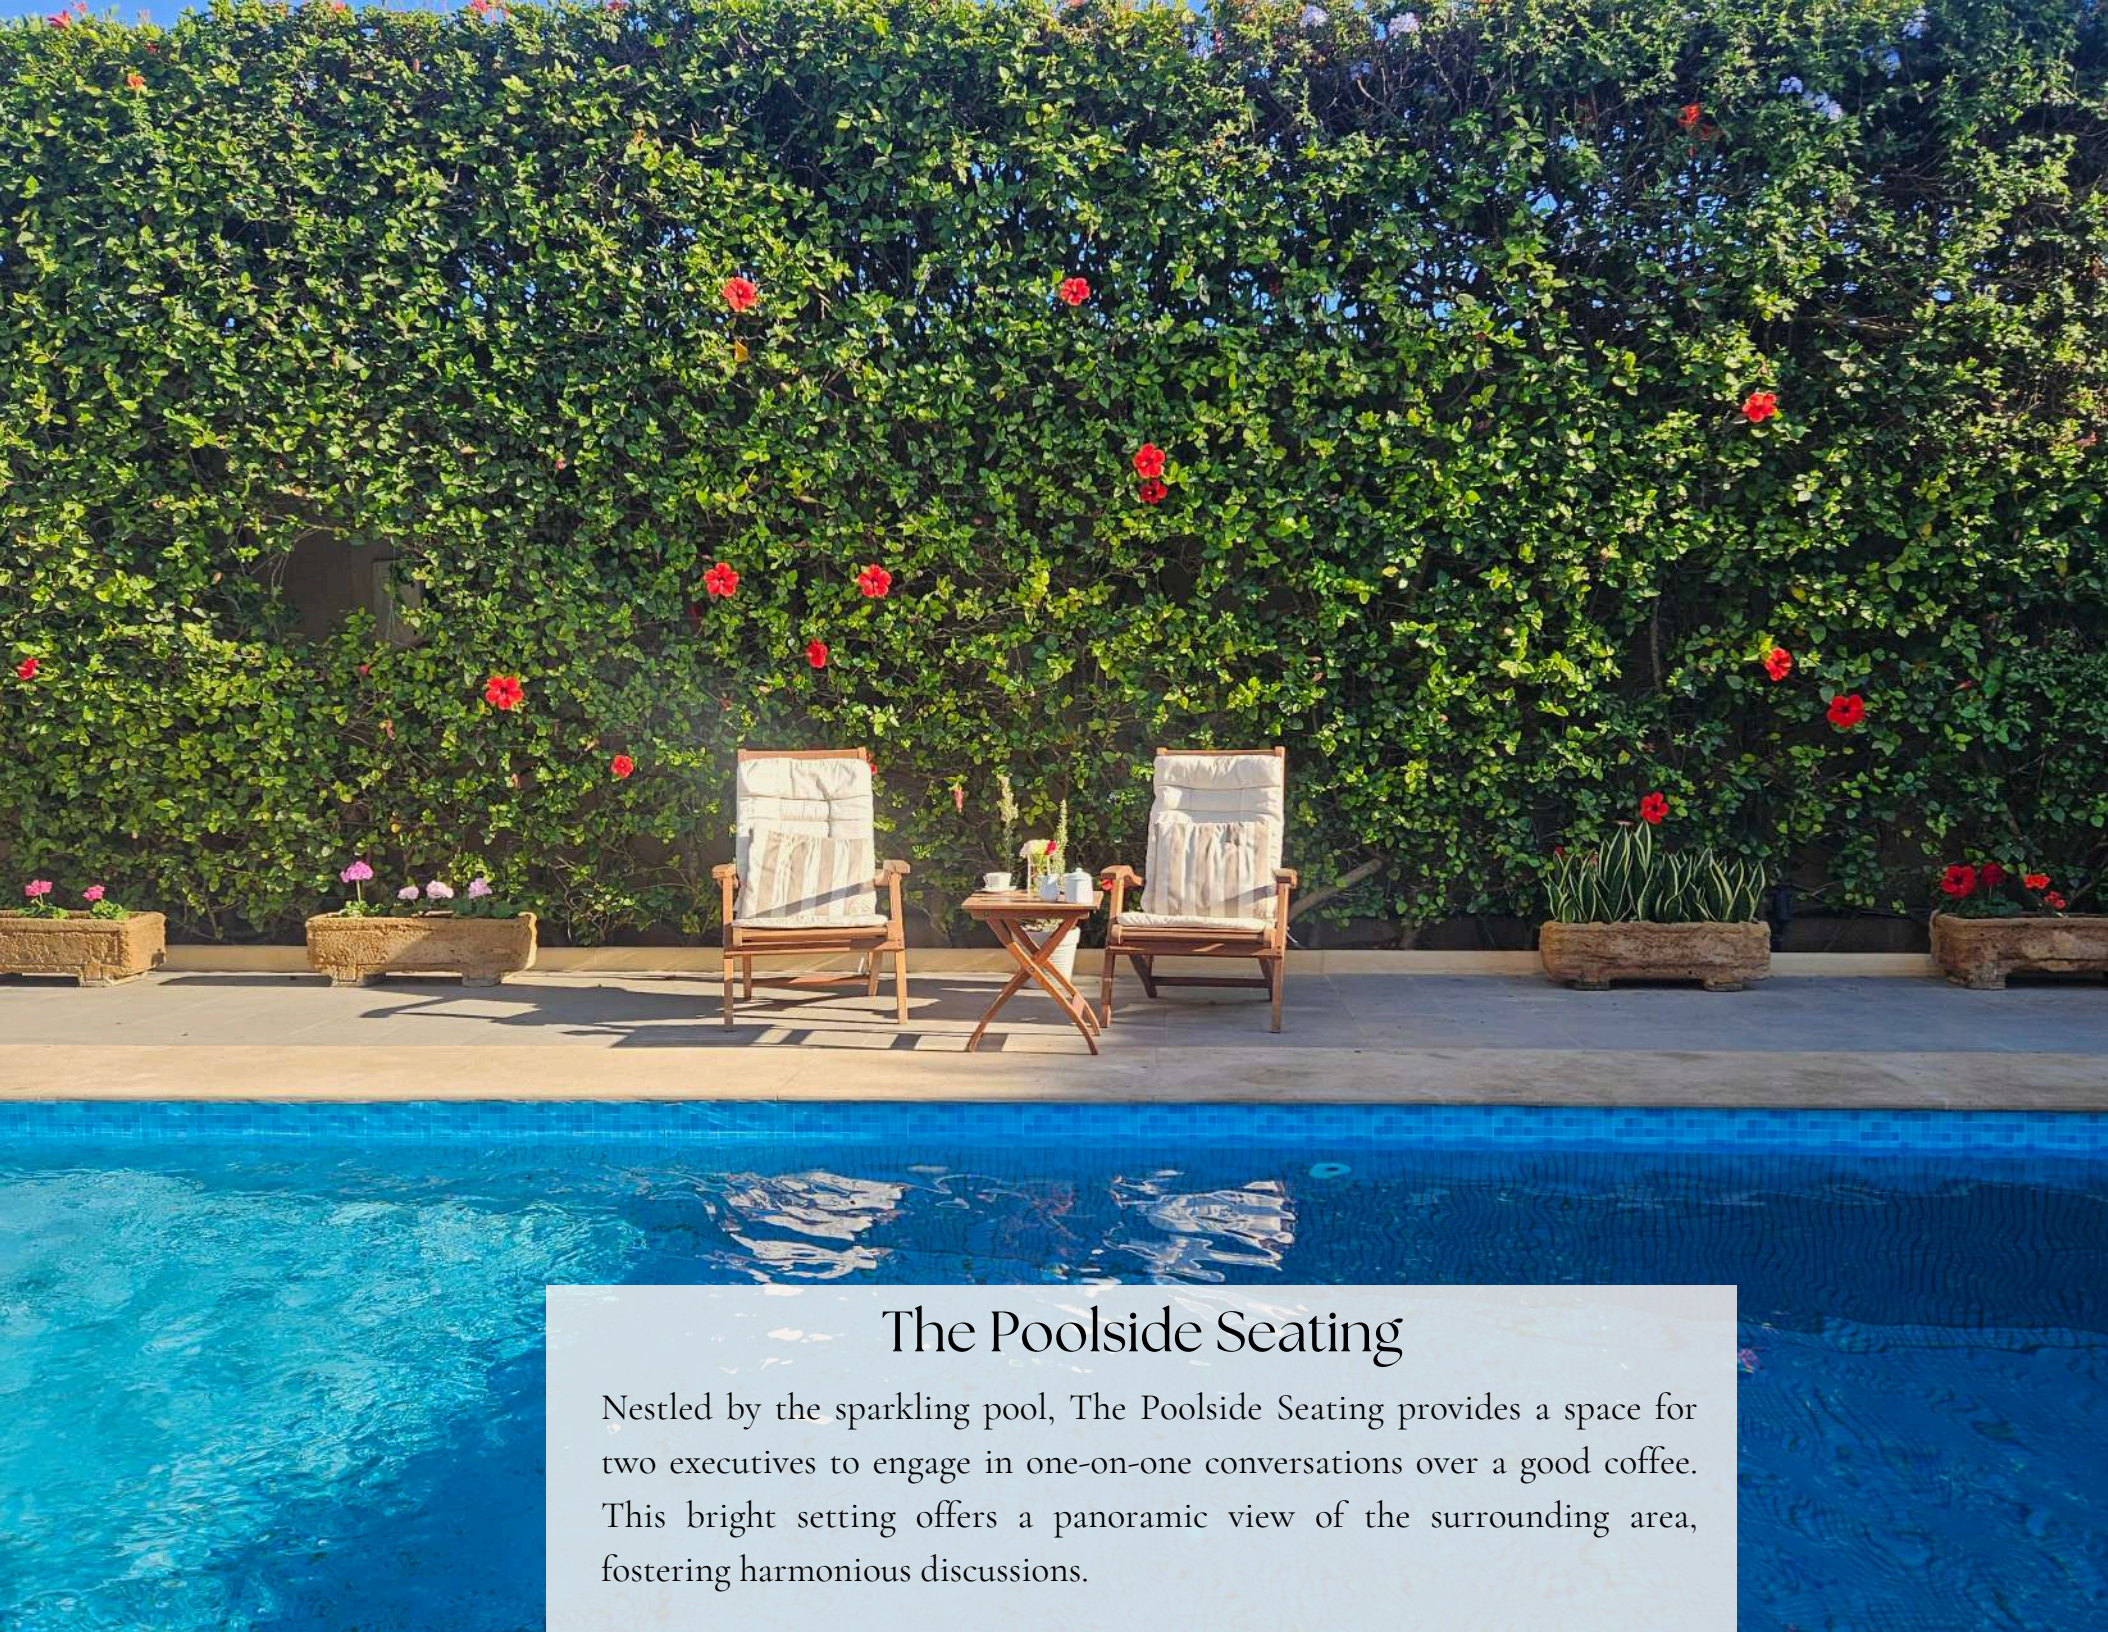

The High-End Terrace

The High-End Terrace is designed to accommodate groups starting from 10 people. Framed by palm trees, this space is ideal for executive meetings, collaborative workshops, brainstorming sessions, or simply sharing a lunch in a friendly atmosphere.

The panoramic view of the blooming garden, the pool, and the centre adds an inspiring touch, while the teak furniture and Bejmat tiles invite creative thinking and exploration.

The Poolside Seating

Nestled by the sparkling pool, The Poolside Seating provides a space for two executives to engage in one-on-one conversations over a good coffee. This bright setting offers a panoramic view of the surrounding area, fostering harmonious discussions.

The Jacuzzi Corner

At the edge of the terrace, beneath soft lighting and the shade of a parasol, The Jacuzzi Corner features a table for six, providing an ideal setting for smooth reflections and exchanges during lunch or educational activities.

The Andalusian Quarters

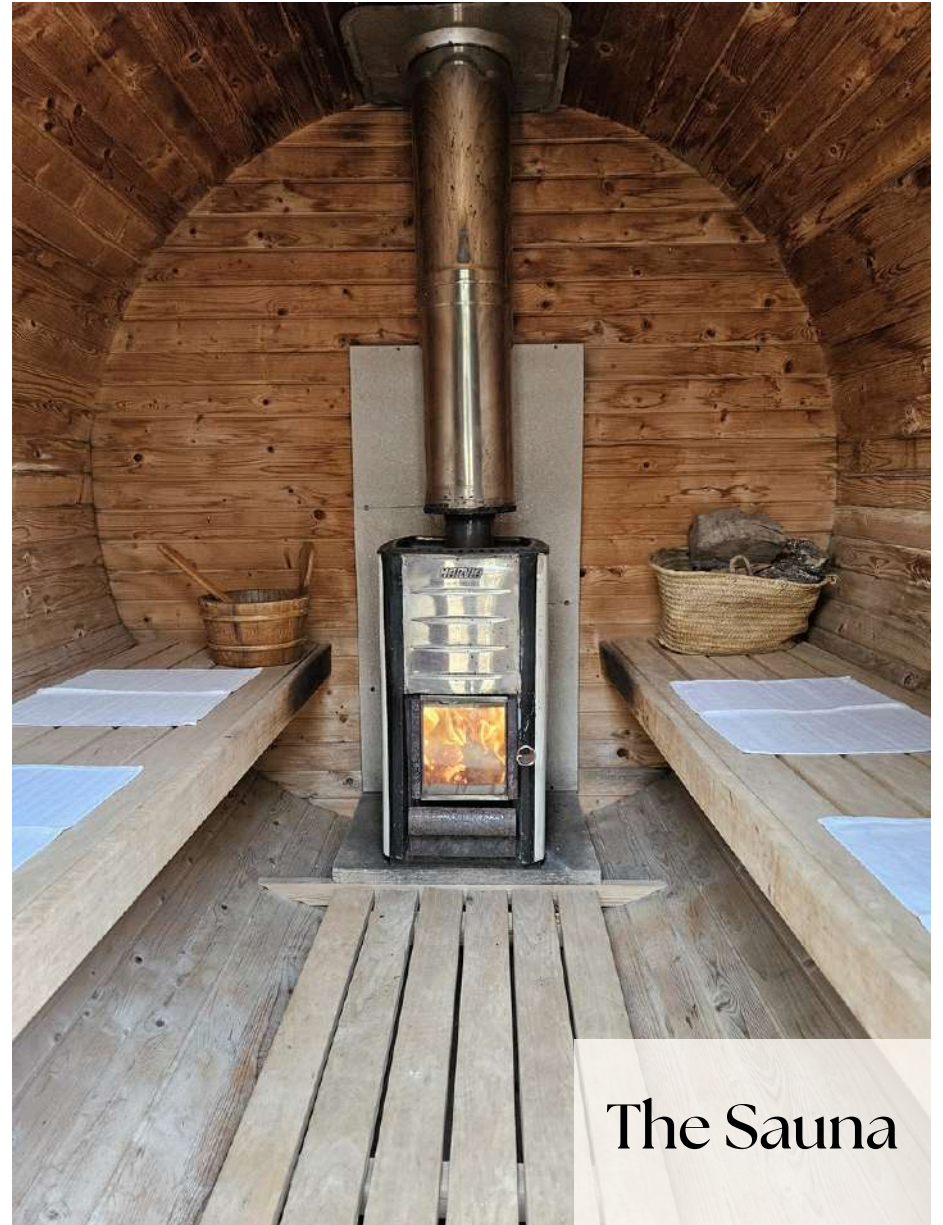

Located at the back of the garden and gently caressed by the soft Atlantic breeze, The Andalusian Quarters combines Andalusian elegance with Nordic serenity for creative meetings. The Bejmat flooring, wrought-iron Moroccan chairs, and Atlas cedar table create an authentic yet comfortable setting.

This space, designed to accommodate executive teams starting from eight people, is ideal for in-depth discussions or inspired brainstorming sessions. The venue is bordered by a traditional bar and a wooden Finnish sauna.
